

SCR-1

SCR-2

ISL-32

VOLTAGE	12 - 24 V	12 - 24 V	5 - 24 V
MAX OUTPUT	200 W	200 W	32 x 1A
DIMENSIONS (MM)	103 x 87 x 66	140 x 89 x 63	86 x 86 x 25.5
LIGHT ON EFFECT	<ul style="list-style-type: none"> all together 	<ul style="list-style-type: none"> cascade one by one 	<ul style="list-style-type: none"> cascade one by one follow 5 inverse cascade
LIGHT OFF EFFECT	<ul style="list-style-type: none"> all together 	<ul style="list-style-type: none"> all together 	<ul style="list-style-type: none"> off one by one off all together
NUMBER OF STEPS	Up to 200W	2-20	8 - 32 + Addressable LEDs
LED TYPE	Constant voltage, single colour, dimmable	Constant voltage, single colour, dimmable	<ul style="list-style-type: none"> constant voltage 1-32 output: single colour, dimmable addressable LED output: RGB addressable LED
DIN RAIL COMPATIBLE	Yes	Yes	No
WARRANTY	2 years	2 years	2 years
ADDITIONAL FEATURES	<ul style="list-style-type: none"> brightness and duration adjustment three types of motion sensor options several LED light options several LED channel options optional extras (digital timer, enclosure, extension wires, quick connectors) 	<ul style="list-style-type: none"> brightness, speed and duration adjustment three types of motion sensor options several LED light options several LED channel options optional extras (digital timer, enclosure, extension wires, quick connectors) 	<ul style="list-style-type: none"> brightness, speed+duration adjustment daylight sensor OLED display 4 main operation modes various colour modes damaged CV channels can be disabled two controllers can be connected for dual cascading effect (2 x 32 steps)
INCLUDED IN THE KIT	<p>All kits:</p> <ul style="list-style-type: none"> controller 2 x motion sensors (with 10 m wire each) <p>Optional extras:</p> <ul style="list-style-type: none"> power supply LED strips or spotlights LED channels digital timer extension wires quick connectors 	<p>All kits:</p> <ul style="list-style-type: none"> controller 2 x motion sensors (with 10 m wire each) <p>Optional extras:</p> <ul style="list-style-type: none"> power supply LED strips or spotlights LED channels digital timer extension wires quick connectors 	<p>All kits:</p> <ul style="list-style-type: none"> Controller 2 x wide detection angle motion sensors 2 x narrow detection angle motion sensors 2 x 5m wire for the motion sensors <p>Optional extras:</p> <ul style="list-style-type: none"> flush-mount sensors <p>Important note: compatible power supplies and LED strips need to be purchased separately!</p>
